

IOWA STATE UNIVERSITY
Cooperative Extension

Dear Producers and Stakeholders:

This brochure features the 2003 Manure Applicator Calibration Field Day scheduled near Hubbard on August 1, 2003.

Morning Session is for technical service providers and will cover water quality and phosphorus, applicator calibration, CNMPs and CAFO.

Afternoon session is open to everyone and will include discussions with DNR on land application of manure, residue management and calibration of manure application equipment.

Detailed agenda is described inside this brochure. A free lunch, sponsored by Iowa Select Farms, will be provided. If you have any questions, feel free to contact me.

Sincerely,

*Darwin Miller, Director
