

**APPLICATION FOR USE OF AN AGRICULTURAL DRAINAGE WELL**

Note: This application is to be used to apply for a state permit for an ADW. The federal government also has jurisdiction over ADWs and this application is not intended to satisfy any requirements the federal Environmental Protection Agency may impose on ADWs in the future.

**Item 1 and 2. APPLICANT(S) NAME, MAILING ADDRESS, AND TELEPHONE NUMBER *Please Print***  
*Application must be submitted by all landowners having land drained by the ADW*

1a. Applicant	1b. Applicant	1c. Applicant
Business ( ) - Home ( ) -	Business ( ) - Home ( ) -	Business ( ) - Home ( ) -
2a. Authorized Agent (if any)	2b. Authorized Agent (if any)	2c. Authorized Agent (if any)
Phone ( ) -	Phone ( ) -	Phone ( ) -

**Items 3 through 11. AGRICULTURAL DRAINAGE WELL INFORMATION**

3. <b>Location of well:</b> _____ <sup>1</sup> / <sub>4</sub> of _____ <sup>1</sup> / <sub>4</sub> of Section _____, T____N, R____W  _____ County	4a. Depth: _____ ft. Known <input type="checkbox"/> Estimated <input type="checkbox"/> 4b. Diameter: _____ in.
---	--

5. **Iowa DNR Registration Number** \_\_\_\_\_ Not registered or unknown

6. **Surface Intakes** - Does the drainage system presently have surface water intakes? Yes  No  If yes, show location of surface intakes on map referenced in item 9.

7. **Waste System Connections** - Is the drainage well or its drainage system directly connected to any type of wastewater storage, treatment, or disposal system such as a septic tank? Yes  No  Unknown   
 If yes, provide description of system under item 13 or on a separate attachment and indicate location of connection, if known, on the map referenced in item 9. If the "unknown" box is checked, the applicant(s) will be required to determine if such connections exist as a condition of a permit.

8. **Drainage agreements/easements** - If the drainage well drains lands not owned by the drainage well owner, are there any legal agreements between the drainage well owner and the landowners that have land drained by the drainage well regarding the use of the drainage well or maintenance of the drainage system?  
 Yes  No  Not applicable  (drainage well does not drain lands not owned by drainage well owner)  
 If yes, indicate the nature of any such agreements under item 13 or separate attachments.

9. **Supporting Information** - Attach map showing: a) location of drainage well; b) location of tile lines that drain to the drainage well; c) location of any existing surface intakes; d) the boundary of the ADW drainage area; e) ownership of all lands within the ADW drainage area; f) location of any earthen manure storage structures or lagoons, confinement feeding operations, or open feedlots within ADW drainage area; and g) location of any existing waste system connections to the ADW drainage system.

10. **Alternative Outlet** – Has the construction of an alternative outlet, which would allow the well to be closed, been considered as part of a drainage project by the applicant(s) or others such as the county?. Yes  No  Unknown   
 If "Yes" please provide information describing the feasibility of an alternate outlet.
